Places to Visit: Dolceacqua

Just **twenty minutes by car** from the Hotel, Dolceacqua is a **charming medieval village** beloved by Claude Monet (who depicted it in one of his paintings). It's a place **full of history**, ancient churches, and monuments, also famous for its ***michetta***, a traditional sweet born from the legend of young Lucrezia, who rebelled against Marquis Doria. Other attractions include the Visionarium 3D, unique in Italy, offering nature-themed documentaries. You can also see il Monumento al Frantoio and the Fountain of **Rossese di Dolceacqua**, the local D.O.C. red wine. Don't miss the spectacular **end-of-summer fireworks**.

Places to Visit: Sanremo

Also just twenty minutes by car, Sanremo — located in the Riviera dei Fiori — is famous for the Italian Song **Festival** and its Liberty-style Casino.

Sanremo boasts several **historic landmarks**, such as the Co-Cathedral of San Siro, the Russian Church, and the Sanctuary of the Madonna della Costa. We recommend a walk through the **medieval quarter La Pigna**, with its narrow alleys and stone arches.

Another gem of the city is the Ponente Ligure **Cycle Path**, which runs through Sanremo and connects San Lorenzo al Mare to Ospedaletti. It is one of the most beautiful cycle paths in Europe — 24 km long and overlooking the sea.

Excursions

At Dream Ranch, you can enjoy **horseback riding**, Western riding lessons, and experience authentic ranch life.

For trekking enthusiasts, il **Sentiero dei Doganieri** offers breathtaking views, and la **Valle delle Meraviglie** in the Mercantour National Park welcomes you with 5,000-year-old rock carvings, visible only with certified guides.

Lastly, don't miss **Whale Watching** in Bordighera: a 4-hour cruise in the Santuario dei Cetacei to spot dolphins, whales, and sperm whales, guided by a marine biologist.
